Music in the Parks Tour 2023 Behavior Contract

Return to Ms. Neidhold, Mr. Petersen, Mr. Myers by January 31st

Student Name _____ **(please print)**

The purpose of this contract is to insure a successful and enjoyable trip for all students.

Participation in the Music in the Parks (Vallejo) performance and tour is dependent on satisfactory behavior during the 2022-23 school-year. Student's behavior in class and in school will have bearing on tour participation. Students receiving Citizenship grades lower than a B in their respective Orchestra, Band or Choir class or students who are suspended or expelled during the school year may be eliminated from the tour at the teacher's discretion.

Students are expected to act with mature behavior on the tour. The students of the Billingshurst music ensembles will be polite to other groups performing at the festival, follow all of the bus drivers' instructions, keep noise levels down in the hotel and act with good citizenship to Billingshurst students and any other people encountered on the trip.

No alcohol, drugs, illegal substances or weapons of any kind. No fighting.

Students will be at all announced meeting places on time and obey the hotel curfew.

Cell phones and personal music devices, such as iPads, are allowed. Students will not carry any electronic device into the performance venue. Students and parents acknowledge that Billingshurst Middle School, the charter bus company, chaperones and teachers are not responsible for any personal belongings.

The Billingshurst dress code will be enforced on the trip. On Saturday, May 20th students will wear the Billingshurst Tour T-shirt in 6-Flags. Students may not alter the Billingshurst Tour T-shirt including cutting and shortening the shirt. Students may wear hats at the park. All clothing must be decent and civilized with no foul language or alcohol/cigarette advertisements or clothing that might be associated with gang activity. Shorts will be school dress code. The teachers reserve the right to ask a student to change their clothes if deemed inappropriate.

Parents understand if a student breaks this Behavior Contract during the trip, they (the parents) will, at their own expense, come pick up their child and return them home separately from the tour group. (Students, this means if you do not have appropriate behavior on the trip, or Ms. Neidhold, Mr. Petersen, Mr. Myers will call your parents to come get you in middle of the trip. You will return home with your parents.)

Parents understand that if a student is suspended or expelled from Billingshurst they will jeopardize their right to attend the trip and any funds paid to date.

I agree to abide by all of the Behavior Expectations:
