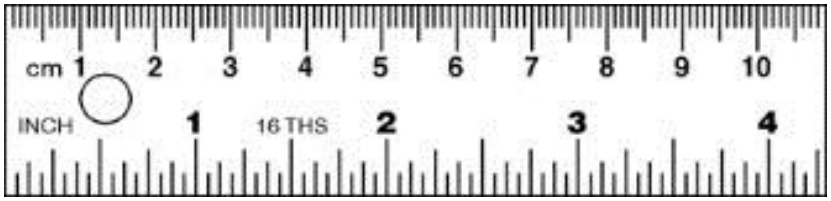
TONE PROJECT – 100 points – Lane 2 & 4

You are going to work on playing on Lane 2 & 4 this practice sheet. Each time you practice you will measure how far away your bow is playing for your goal Lane. Play a D-scale or one song. Write the name of the song you chose to practice and write in the measurement for the DISTANCE TO THE BRIDGE and how wide the SPOT OF ROSIN is. Play one Lane 2 and one Lane 4 song/scale every day you practice.

Your goals:

1. Play the whole song on Lane 2 or Lane 4 – **Lane 2 is LOUD, Lane 4 is SOFT**
2. Rosin spot is only as wide as your bow.

Date	Which Lane are you trying to play? 2 or 4	D-Scale OR Write the name of the song you practice	Distance of Rosin spot to your bridge cm	How wide is your rosin spot? cm	Give yourself a grade. How did you do?

Distance from bridge GOAL:


Lane 2	**Lane 4**
Violin & Viola – 1 cm	Violin & Viola – 4 cm
Cello – 2 cm	Cello – 8 cm
Bass – 4 cm	Bass – At the end of the fingerboard (Do your own measurement goal)
